

Community Living Australia will:

- + Be a service provider of choice in the markets in which we choose to operate
- + Provide a range of personalised services that are evidence based, value-for-money and match with the needs and aspirations of our clients
- + Have our health and wellbeing at the centre of all service delivery

Community Living Australia will:

- + Have systems that meet stakeholder needs
- + Have systems that create efficiencies and inform decision making
- + Have systems that support us to meet our compliance and quality obligations

Community Living Australia will:

- + Be an employer of choice
- + Have an enabling culture where values are lived
- + Have a workforce that is committed, empowered and skilled

Community Living Australia will:

- + Be a trusted community partner
- + Leads and contributes to sector development
