A GUIDE

to participating in Myriad 2022

'Myriad' is a collaborative exhibition showcasing a myriad of artists, abilities, artworks and stories of people with disability from across our South Australian community.

The word Myriad is defined as 'countless or extremely great in number' and in this way is a reflection of the exhibition which is made up of a myriad of artists, abilities, artwork and stories.

'Myriad' provides an opportunity for the artists to tell their individual stories and to be celebrated for their abilities. It is a reflection of Community Living Australia's ongoing commitment to creating an Australia where our clients and all people living with disability have valued roles in the community, the opportunity to achieve their goals, and the ability to realise their dreams.

THE EXHIBITION

The exhibition will be held during the month of August and will be open to the public during this time for anybody to visit.

A venue for the exhibition is still to be confirmed and an update will be provided with more information as soon as possible.

An official opening event will be held, artists will receive an invitation to this event along with two family and/or friends.

ELIGIBILITY

Any Community Living Australia client from any region, and/or any person living with a disability in South Australia can register to take part in the exhibition. A truly inclusive event.

REGISTRATION DATE

If you are interested in taking part in the exhibition, we ask that you register as an artist by **1 May 2022** via our online registration form.

HOW TO REGISTER

You can register to take part in the exhibition on the Community Living Australia website at www.claust.com.au/events/myriad. If you have any issues registering online, you can call us on 08 8536 5888 and a member of our team will be happy to assist.

SECURITY OF ARTWORK

While all reasonable precautions will be taken to ensure your artwork is transported, stored, setup and displayed safely and securely, we cannot guarantee your pieces of art against theft, loss or damage. No liability for the damage or loss of artworks will be taken by Community Living Australia.

NUMBER OF ARTWORKS PERMITTED

All artists are only permitted to enter one singular artwork in the exhibition. Unless you have applied and were successful in being awarded a position as a 'feature artist'.

Featured artists are permitted to enter up to five artworks into the exhibition.

TYPES OF ARTWORK ACCEPTED

Many types of artworks are permitted as part of the exhibition. However, there are some restrictions:

- We may not be able to permanently display sculpture artworks at the chosen main venue. We will potentially be able to display these during the official exhibition opening event, however, following the opening event all sculptures may need to be removed from the venue. If this is the case, all of the sculptures will instead be displayed as part of a separate sculpture and mosaic exhibition at a location yet to be determined.
- There is a weight restriction for the artworks. Artwork must not exceed 5kg in weight.
- There is a size restriction for the artworks. Artworks must not be any larger than 2m in height and/or width.
- Mosaic artworks, like sculptures, may not be able to be permanently displayed at the chosen main venue.
- Community Living Australia reserves the right to exclude any artwork from being part of the exhibition on these grounds.
- All entered artworks must be original artworks of the artist – meaning they must have been created by the artist. No artworks can be plagiarised or copied from another artist.
- No tracing as part of any type of artwork will be accepted.

Special exceptions to these rules may be considered and granted upon request. If you have a particular project in mind that exceeds or breaches any of these guidelines please contact us to discuss the possibility of having it displayed as part of the exhibition.

FEATURED ARTISTS

There will be five 'featured artists' selected to take part in the exhibition. Each 'featured artist' **will be allowed to display up to five artworks** at the exhibition.

You are required to apply in order to be considered for a position as a 'featured artist'. Applications are due by **1 May 2020**.

Applying to be a 'Featured Artist':
