ABOUT

Featured Artists

ABOUT FEATURED ARTISTS

Featured artists are the highlight of Myriad, communicating to the world that disability — trumped by skill and creativity — is no barrier to artistic beauty.

Featured artists will be provided with ample space to display five pieces of art for public viewing as part of the Myriad exhibition during the month of August. Their work will enjoy considerable exposure at the venue, on our website and social media. Artists will also have the option to put their art on sale and in previous years, most reasonably-priced pieces sold during the opening.

WHO CAN APPLY?

Any eligible artist who has registered to take part in Myriad can apply to be considered for a position as a 'featured artist'. Only a total of five artists will be selected by our judges to be 'featured artists'.

SELECTION CRITERIA

Artistic merit is entirely subjective and selection criteria broad. During the selection process, judges will consider criteria such as technical skill, popular appeal, thematic synergy, originality and artist characteristics.

Judges will be selected from within Community Living Australia.

Ultimately, featured artists will be selected at Community Living Australia's discretion.

TYPES OF ARTWORK PERMITTED BY FEATURE ARTISTS

While all types of artwork are permitted as part of the exhibition, only art that can be safely hung are permitted by featured artists. This includes paintings, photos, drawings and other framed work. Sculptures and work that requires a display stand such as a plinth are not permitted.

Lassa Hawryszkiewicz

You do not have to create new pieces for this exhibition. Your five art pieces can already be partially or fully complete at time of application.

PREPARATION OF ARTWORKS

Any artworks, whether they be paintings, drawings or photos must be supplied already framed (if a frame is required) and ready to be hung.
